

WARRANTY ACTIVATION FORM

MOSHE 3000 FLEX GREEN & Integrated System Solutions

1. Instructions and Submission Policy

To activate the Limited Material Warranty for **MOSHE 3000** products, this form must be completed in full and submitted to MOSHE 3000 USA within **30 days** of the project completion date. In order to activate the warranty, fill in this form and send it, along with documents listed on number 7 of this form, to warranty@moshe3000.com; the email subject line must be **'WARRANTY ACTIVATION'**. Failure to submit this activation form, along with the required supporting documentation, may result in the voiding of any future warranty claims. Please ensure all technical specifications and batch numbers are recorded accurately.

2. Purchaser Information

Primary Contact Details	
Full Name:	
Civil ID / Tax ID:	
Email Address:	
Phone Number:	

3. Project Site and Specification

Project Location and Scope
Project Address:
Area Specification: (e.g., shower area, bathroom, HVAC room, balcony, laundry room)
Total Application Area (sq ft):
Substrate Type: (e.g., concrete, cement board, drywall, plywood)

4. Product and Purchase Data

Please specify the products used to determine the warranty tier. Note: The **20-Year System Warranty** requires the use of all three components listed below in a quantity compatible and sufficient for the entire application area.

Product Name	Batch / Lot Number (Found on Packaging)	Quantity Used (fl. oz. or gallons)
Moshe 3000 FLEX GREEN		
Moshe 3000 Floor & Wall		
Moshe 3000 Reinforcing Mesh		

Purchase Date: _____

Installation Completion Date: _____

5. Applicator / Contractor Information

Professional Installer Details	
Company Name / Name:	
License Number:	
Contact Email:	
Contact Phone:	

6. Quality Control and Verification

A **Flood Test** is mandatory for all horizontal applications to verify the integrity of the waterproofing layer before the installation of final finishes (tiles, stone, etc.).

Flood Test Performed?	☐ Yes ☐ No
Test Duration:	(Minimum 24 hours recommended) _____ Hours
Test Result:	☐ Pass ☐ Fail

7. Required Documentation Checklist

The following digital files or physical copies must be attached to this activation form:

1. **Proof of Purchase:** Copy of the original invoice or sales receipt showing Moshe 3000 products.
2. **Flood Test Photo:** Clear photograph of the area under water during the flood test.
3. **Application Photos:** At least two photos showing the product applied to the substrate.
4. **Batch Photos:** Photos of the batch/lot numbers printed on the product containers.

8. Declaration and Signature

By signing below, the Purchaser acknowledges that they have read and understood the **Limited Material Warranty** terms, including the **Exclusion of Consequential Damages** and the **Sole and Exclusive Remedy** clauses. The Purchaser certifies that the Product/System was applied in strict accordance with Moshe Waterproofing Systems' technical data sheets.

PURCHASER SIGNATURE

DATE

Note: This activation is only valid upon written confirmation from MOSHE 3000 USA. Retain a copy of this form and all attachments for your records.

If for any reason the purchaser does not receive a formal warranty activation confirmation via email or postal mail at the provided project address within **15 days** from form submission, the purchaser must directly contact **MOSHE 3000 USA** at **customerservice@moshe3000.com**, providing their **full name** and the **date** the warranty activation was requested; the email subject line must be **'WARRANTY ACTIVATION'**. **Incomplete or improperly completed warranty activation forms are grounds for the non-activation of the warranty.**
